Commissioner for Patents  
Alexandria VA 22313-1450

Sir:

**LETTER REGARDING ACTION MAILED JANUARY 4, 2005  
AND DISCUSSION WITH EXAMINER**

The purpose of this letter is to note that the undersigned discussed the Office Action mailed January 4, 2005 with Examiner Behrend. In that conversation, the undersigned objected to the requirements set forth at paragraph 2 of the action that the application would become abandoned unless the Applicant obtained an extension of time under 37 C.F.R. 1.136 to correct the deficiencies that are noted in the action regarding the Brief. The undersigned has received a reply telephone call from Examiner Behrend in which he indicated that he discussed the action with his Supervisor and that a Supplemental Action would be issued resetting the period for response. On this basis, the Applicant is waiting for additional correspondence from the Examiner before replying to the action.

No fee is required. The Commissioner is authorized to charge any additional fees required by this paper or to credit any overpayment to Deposit Account No. 20-0809.

Respectfully submitted:
